

Correction to “Study of the Excited-State Proton-Transfer Reaction of 5-Cyano-2-naphthol in Sub- and Supercritical Water”

I. Kobayasi, M. Terazima, and Y. Kimura*

J. Phys. Chem. B **2012**, *116* (3), 1043–1052

In the TOC and abstract graphics, the chemical structure of 5-cyano-2-naphthol (5CN2) was incorrectly presented

(no cyano group was present). The corrected graphic can be seen below.
